**MORE TIME IN THE GARDEN?  
TAKE YOUR ENTERTAINMENT OUTSIDE**

## YOUR MOST IMPORTANT ENTERTAINMENT SPACE

This summer your most important entertainment space will be your garden. Enjoy the match, relax to the music or get the party started!

We can implement audio, video and lighting solutions which can handle all weathers and turn your garden into another room in your home from morning to night.

Enhance your home by creating a magical outdoor entertainment experience for your family and friends to enjoy.

## CAN I REALLY DO THIS?

We have solutions to suit all requirements including; outdoor speakers, waterproof sunlight viewable TVs, hidden projection systems, smart lighting and security measures.

All systems and component parts can be seamlessly integrated into your garden design and connected to a new or existing home control system.

Large retractable outdoor TV

Waterproof subwoofer

## WHAT'S INCLUDED?

Our outdoor spaces and garden solutions cover all entertainment, security and automation requirements to include:

- Waterproof sunlight viewable outdoor TV's
- Projectors and screens
- Waterproof speakers and subwoofers
- Lighting control systems
- Network and WiFi extension
- CCTV, Access Control and Alarm extension
- Control System connection, new or existing including waterproof keypads and remote controls

## THE PROCESS

We have done everything that we can to make the process of delivering your outdoor entertainment solution as easy as possible.

Once we have established your requirements we will create a full design and budget for your approval. From there we will manage all the required trades and be your single point of contact for the duration of the project.

## THE NEXT MOVE

Please contact us to discuss how we can create your ideal outdoor entertainment solution. With summer almost upon us now is the perfect time.

Your initial consultation is free, without obligation and can be done via video call to maintain social distancing.

We understand that you will have questions on products and process and we will do our very best to answer all of those for you and to make delivering your invisible sound solution as seamless as possible.
